

**STATE UNIVERSITY OF NEW YORK
COUNCIL FOR UNIVERSITY ADVANCEMENT
Educational Achievement Award Nomination Form**

I. CRITERIA

Periodically, the SUNYCUAD Board of Directors will present the organization's Educational Achievement Award to a deserving individual or organization for their significant contributions to public higher education in New York State.

The impact of such award-winning actions must be broad-based and not limited to a specific campus. As to the manner of contributions made by previous recipients, these have ranged from creating scholarships, providing leadership and vision, and sponsoring major legislation to supporting public high education through longtime political advocacy. Nominators, however, should not limit themselves to these areas when considering worthy nominees.

Any current SUNYCUAD member may nominate.

III. PROCESS

To nominate, complete the information below and send this sheet, along with a detailed letter of recommendation listing the nominee's qualifications, the nominee's vita and any other supporting documentation to: Michael Frame, Director of Federal Relations, Binghamton University - Office of the Vice President of Research, PO Box 6000, Binghamton, NY 13902
