National Nurses Month

Nursing

Philip Nasca

Areas of expertise:

Etiological studies of breast cancer; cancer of the female reproductive organs; childhood cancers; nursing; cancer epidemiology

School of Public Health Dean Philip Nasca has served as a member of numerous grant review boards for national agencies, including the National Cancer Institute and the American Cancer Society. Previously, Nasca worked with the New York State Department of Health where he held a number of positions, including the Director of the Bureau of Cancer Epidemiology. He currently serves on the Editorial Board of both the Journal of Public Health Management and Practice and the Annals of Epidemiology.

The University at Albany offers more than 200 faculty experts for print & broadcast interviews, guest commentary and expert analysis.
