ALUMNI REUNION WEEKEND  
OCTOBER 17-19

Dear Binghamton graduates:

Homecoming 2008 is more than an event. Now in its eighth year, it's a chance to rekindle the lifelong friendships you made at Binghamton University. Last year, more than 1,000 alumni brought their friends and families to campus to participate in a variety of educational, informative, nostalgic and just-plain-fun events at Homecoming. This will be a weekend for renewing old bonds, making new friendships, sharing, learning and having a great time.

Read on to learn about some of the special groups that are celebrating at the activities we've scheduled during the weekend, and make plans to join us October 17-19. We look forward to seeing you here on campus this fall!

Warmest regards,  
Anthony Kendall '83, MBA '85  
President, Binghamton University Alumni Association

Rose Friedman, MASS '90  
Director, Alumni and Parent Operations

**SPECIAL CELEBRATIONS**

**Late '60s Reunion**

Great then, great now! Alumni from 1966 to 1970 are invited to a special late '60s reunion to remember the fast-paced years (and fast-paced friends) of the " trimester " experiment, when Harpur College became SUNY Binghamton. See how those years helped form what is now called the "premier public university in the northeast." Alumni volunteers have been working on events especially for you; however, all are welcome to attend. Visit the Homecoming website for a complete schedule of events. Register by October 1 to receive your photo nametag.

**ATTENTION CLASSES OF 1978, 1983, 1988, 1998**

Meet up with your classmates at the Alumni Luncheon and Tailgate '08. Look for signs designating the special meeting area for your class.

**CALLING NEWING ALUMNI**

Did you participate in Newing Navy? Were you thrown into Lake Lieberman? Were you a writer for the Lake Lieberman Courier? Did you frequent the Broome Closet or participate in Delaware Days? Don't miss your last chance to see Broome and Bingham halls at Homecoming 2008 as the East Campus redevelopment project transforms Newing College. If you have Newing memorabilia, photos or T-shirts to showcase to our Newing graduates, please send the items to the Alumni Office. Also, read and post your memories of Newing on our Facebook site. For a complete schedule of activities for Newing, and to link to the Facebook group, visit the Homecoming website. Join current faculty master Bill Ziegler and connect with former Newing faculty masters Bob Ponsel, Augie Mueller and Gary Truce for lunch in the dining hall, tour your old room or floor and reminisce around the fire pit.
