

**JUDGES' REPORT  
COMMENTS ON WINNING ENTRIES**

*Please write a few sentences on the Best of Category winning entry and any Judges' Citation entries that you select. In the past, excerpts from these required comments were shared selectively with those attending the awards ceremony. However, the complete comment sheets will now be shared by the host coordinators with all entrants; so please be judicious and fair. In addition to these sheets being shared with all entrants, excerpts will be read during the awards ceremony at the SUNYCUAD Annual Educational Conference.*
